

## 2.4.3 Remove Conditional Formatting

Now that you've completed this lecture, you should be able to remove any conditional formatting that has been applied to your workbooks.

**Try the techniques on your own using the following steps**

1. Open the workbook named 243 provided as a resource with this TIY. Remove any conditional formatting rules that have been applied to the Profit Forecast worksheet.
2. Clear all rules from the Marketing Plan Budget worksheet.
