MOS University

2.4.1 Insert Sparklines

Now that you've completed this lecture, you should be able to create Sparkline charts.

Try the techniques on your own using the following steps

1. Open the workbook named 241 provided as a resource with this TIY. In the 2017 Monthly Revenue worksheet, in cell R3 insert a Line Sparkline generated from the data in the cell range E3 to P3.

2. AutoFill the new Sparkline to the other airports.

3. Apply the Light Yellow, Sparkline Style Accent 4, Lighter 40% sparkline style to the sparklines in the range R3 to R14.

4. Change the colour of the sparklines to Green Accent 6, Darker 25%.

5. Include markers on the sparklines.

6. Change the sparklines to the Column type.
